

2020-2021 Goaltending Technical Development Program

The GMHA and SSMHA is pleased to announce our own goaltending technical development program for the 2020/21 season facilitated by Rock Solid Goaltending (pending there is adequate interest).

The program will be open to GMHA and SSMHA goaltenders and will be a 10 week program with one 45 minute session per week at a cost of \$130. Registration payment is due in full at time of registration.

The proposed schedule for the sessions would be 6pm on Sundays at Goulds Arena.

There will be a maximum number of 12 goaltenders in the program and registration will be on a first come-first served basis.

Pre-registration for this program will open on Friday, November 20 at 9:00pm and can be completed at the website address ssmha-gmha.club. The pre-registration entries will be time stamped and further registration details will be sent separately following pre-registration. A time stamped wait list will also be created in the event spaces open up after pre-registration closes.

Tentative start date for the program is November 29.
